Don't see recent test results?

No test results found.

Click the download link

View, [download](#), or [transmit](#) your health data.

You then will be asked to filter for the results you are looking for.

1. For Period - Choose a single date or a time range. The larger the date range the longer it will take to download your records.
2. Hospital Stay Documents- Choose all options available.
3. You can then click view document if you just want to look at the information, or you can choose to download the document, and this will allow you to print the results if needed.

MO - Iron County Medical Center ⌕ Prefiere

For Period

- All time
- Single date
- Custom date range

From:

To:

Hospital Stay Documents
